Reminder, percussionists have an additional list of supplies and materials – see the separate list posted on the band webpage. Additionally, all Royalettes and Royalaires have additional lists of supplies and materials they are responsible for – details by their advisors in audition clinics and during summer rehearsals.

It is recommended that students check the condition of all their uniform parts and equipment regularly, and make sure everything still fits and is in good condition. Any items that no longer fit, or are in poor condition should be replaced.
