Reminders:

- We are asking each Wind Ensemble member to purchase 5 tickets for this event to help defray the cost contributed by the Boosters. This is a WORLD CLASS performing opportunity – please help out the boosters by asking family and friends to help support this endeavor and purchase tickets. Tickets are available through the Band Website.
- Reminder – all students will ride the bus there together, but every student is responsible for their own ride home with their parents. **There is no bus returning back to NRHS.** This allows all students to have an opportunity to go out to eat and celebrate as a family after this performance. All percussionists need to make sure all the percussion equipment we bring – goes home with you and is returned to school on Monday morning
- Percussion – be sure we bring our own sticks/mallets/implements INCLUDING Bass Drum Beaters, Chime hammers, etc. Just like contest – we are responsible for bringing all percussion implements we need – including our carpet squares.
- All tickets are “general admission” tickets – and audience members can sit anywhere in the lower level or upper level.
- There is no recording or photography allowed at this event – however students/parents are able to purchase a professional audio recording of the performance afterwards if you wish. Details and the link will be provided in the Google Classroom. Also professional pictures of each student will be taken while the performance is in progress – and these pictures are available for purchase. Details and the link will be provided in the Google Classroom.
