Chaperones & Nurses

- As with Band Trips of the past, in order to ensure a safe trip for all participants we plan on traveling with several adult chaperones, which means we invite **YOU** as parents to consider traveling along with the Band. It is a fun experience and chaperones who have traveled with us in the past felt it was exciting getting to travel with this enthusiastic group of students.
- Any parents who are considering going but not sure what is involved with being a chaperone or undecided, can contact Mr. Vitale for more details. Also, feel free to speak with chaperones that have traveled with us in the past as well and they can also explain about the chaperone experience.
- Additionally, in order to ensure a safe trip, we plan on traveling with 2 Nurses. Any band parents who are licensed medical professionals that wish to be a "Trip Nurse" should contact Mr. Vitale to express their interest
